We booked The Tent Guys for our 2016-17 home opener, where they provided a barbecue, tent, and seating for our fans to enjoy a pregame burger and drink, and they also kept the kids happy with a bouncy house and inflatable basketball game. This is always a very busy day for us so the simplicity of it all was greatly appreciated, everything was dropped off and set up well in advance, and they picked everything up after our event was over. We'll definitely be doing this again!

Thank you so much Pam!! We truly had a fabulous day. Our tent was the perfect size and the boys that came for set up and take down were wonderful. They were efficient and professional and made sure to ask if they could drive on the lawn. I appreciated that so much since we put in so much work getting our yard ready for the wedding. I have attached a few pictures for you!! When I get a couple more from my sister in law, I will send them too. She took a couple with her camera of the tent set up. Thanks again!

Thank you so much!! Especially for the last minute walls that my brother in law picked up..weather was playing tricks but it turned out perfect!

We will definitely be renting again for family functions and your service was phenomenal and to be honest, The Tent Guys was the only business I had no troubles with even like I said last minute rentals. I really appreciated everything. Thanks again!!

Thank you very much! Everything went excellent last weekend, and we couldn't have asked for a more perfect day! Thank you very much to you and your staff for making everything with the tent go so smoothly. We were so impressed with crew at both set-up and take-down! Very professional and hard working. The tent, tables, chairs and hot dog machine worked great!

Thank you!

We rented a large Bouncy House for a staff family BBQ from The Tent Guys. Pam, George and staff are top notch individuals who have customer service second to none. The bouncy house was a huge success with the kids. It was amazingly easy to set up and take down. I would highly and strongly recommend The Tent Guys for all rentals and equipment. Thanks again for the professional service and going that extra mile for me and our happy crew.

I can't express enough how satisfied we were with the Tent Guys organizing our 25th Anniversary V.I.P. evening. From the initial contact with them through the planning stage to the Gala evening, every little item was very well organized and looked after. All we had to do was explain what we were expecting out of the evening and they did the rest. The food, live music, caterers, decorating, waiters / waitresses, cleanup and everything in between were done exceptionally well. Memories are made from extraordinary events and I guarantee we have many memories from this event because of them!

I would not have any problem letting the "TENT GUYS" organize and host any event that I might have. Words like, PROFESSIONAL, ORGANIZED, FRIENDLY, PERFECTION all come to mind when I think of them as an event planner.

They were exceptional and even came in under budget!!! BONUS
